Dear Valued Customer,

Another year has come to an end. I hope your hunting season brought many fond memories and your Holiday season was enjoyable and was shared with loved ones. It is time to look ahead to a new and exciting 2019.

Looking ahead 2019 is shaping up to be a very busy year. The training schedule is starting to fill in. I have several dogs entered in the September VHDF <http://www.vhdf.org/> test being held at the kennel. I have several dogs entered in NAVHDA tests as well. If you are planning on entering any of the testing venues, I would suggest you do it soon as these tests do fill up.

Again, we will partner with Boones Fine Guns of Isle with a discount on any new firearm purchased when you mention you had your dog trained at Autumn Breeze Kennel. Check out their web site <https://boonesfineguns.com/>. Also if your hunting partner needs a new travel kennel be sure to check out Ruff Land Kennels <https://rufflandkennels.com/>. These are the same great kennels as Ruff Tough kennels. They just changed the name. At the kennel, we feed and recommend Nutri Source dog food <https://nutrisourcedogfood.com/index.php>. I add to all dog foods, K 9 Thrive <https://scidogz.com/products/k9-thrive>. Please check out the web sites of these fine products. Finally, for all my training aids I use Dogtra products <https://www.dogtra.com/> and can help you with any purchases.

The upcoming year will be challenging and exciting as always. I will be having a litter of GSP pups beginning of March and a helping broker planned Breeding of Bracco with a client early spring. The first week in June off to Colorado for the Bracco and Spinone national specialty. If anyone would like to add a testimonial to my web site <https://autumnbreezekennel.com/hunting-dog-training-testimonials> I could use some updates, thank you in advance.

As we look back on 2018, I thank each of you for the fond memories we shared and for all accomplishments at ABK. Only the anticipation of new and renewed relationships can outweigh those memories. My sincerest thanks to each of you for everything past, present, and future.

Best Regards,

Ed
